**Re: State of Michigan
Executive Order No. 2020-21
Critical Infrastructure Workers**

To Whom It May Concern:

DuBois-Cooper Associates, Inc. supplies pumps, water treatment and wastewater treatment equipment that is critical in the treatment of wastewater and drinking water in the State of Michigan. We provide support and service to water and wastewater equipment in the State of Michigan.

In accordance with Sections 5(a) and 8(e) of the State of Michigan Executive Order No. 2020-21, the following DuBois-Cooper Associates employees are critical infrastructure works:

Joesph Moore
Darryl Markstrom
Jay Vermilye
Jason Frederick
Katie Gold
Carol Brockschmidt

In the course of providing support, the above listed staff must be able to travel to and access water and wastewater facilities during curfews and restricted travel periods to prevent loss of infrastructure service or restore critical water or wastewater services.

These DuBois-Cooper Associates employees have been instructed to restrict travel to only critically necessary travel. Any in-person activities shall be performed consistently with the social distancing practices and other mitigative measures to protect workers and patrons described in Section 5(c) of the State of Michigan Executive Order No. 2020-21.

Please call me at 313.920.7064 (cell) with any questions.

Sincerely,

Joseph Moore, P.E.
President
